RIA

SIDE TABLE

A tapered cylindrical form, cut from a single block of stone. The Ria stands slightly taller than most side tables, suited to a higher seat or a position alongside an armchair.

DIMENSIONS

Ø 40 × H 50 cm	Ø 15.7 × H 19.7 in
Construction	Tapered cylinder, cut from a single block

CARE

Wipe with a soft, damp cloth and a pH-neutral stone cleaner. Avoid acidic, alkaline or abrasive products; blot spills promptly and use coasters under glasses and hot items. Natural stone is porous and benefits from periodic re-sealing. See our Marble Care Kit.

ORDERING

All made-to-order sales are final. Approval of slab and drawings is required before production begins. Lead time is confirmed at the point of order.

NATURAL STONE

Our pieces are handcrafted from natural materials, which can lead to differences in colour, shade, texture and mineral patterns. These variations are what make each piece unique, adding to its value and exclusivity.
